

Hello Maple Lane families,

The Maple Lane library opens up this week for all students! Mrs. Sandhu cannot wait for books to be in the hands of all our Maple Lane readers!

This week your children will begin to visit the library which means they will be borrowing books and bringing them home. Please ensure students take care of these books, and bring them back to school to be returned upon their due date. This ensures that the books can be borrowed by all of the Maple Lane students 😊

Reading helps build language skills, exposes students to new vocabulary, and encourages creativity and wonder. Together let's build the joy of reading!

Books are windows, mirrors, doors, friends, coaches and guides.

Happy reading 😊

Mrs. Sandhu (Maple Lane teacher-librarian)
