Student and Family Affordability Fund

The provincial government is continuing to provide funding to support families who could benefit from financial assistance. We have been allocated funds to support with nutritional needs or any school related expenses (e.g. school supplies, field trip fees, backpacks, footwear etc.)

If you would like to request support for your child at school, please reach out to Neal Campbell (ncampbell@sd38.bc.ca). All requests will be treated with dignity and your privacy will be respected. We want to work with families to ensure that your children have everything they need in order to be successful at school.
