### Health and Wellness - When should my child stay home?

At this time of year, there are many illnesses circulating, including colds, flus and COVID. In order to reduce the spread of illnesses at school, we teach students to use proper respiratory etiquette and to hand wash regularly. We also ask staff and students to stay home during ***a highly contagious phase of an illness or if they are not well enough to fully engage in some or all of the daily school activities.*** This decision should be made before any medication has been taken that reduce the impact of symptoms. We know it is often difficult to determine whether your child is well enough to attend school. If you are unsure, please feel free to call the school office.

### Maple Lane Spirit Wear - Extension to Sunday

Maple Lane spirit wear is available through SchoolCashOnline until Sunday, December 17. Students will receive the items when they return from Winter Break. Sizing samples are in the front hall for students to try on. Please note that the actual colour of the blue clothing items will be navy blue. We want all students to have the opportunity to have spirit wear and the Family Affordability Fund can be used to make this happen. Please contact Neal Campbell ([ncampbell@sd38.bc.ca](mailto:ncampbell@sd38.bc.ca)) if you would like to access this fund.

### Richmond School District Continuing Education

Richmond Continuing Education offers after-school and weekend programs for children and youth aged 5-18 years old to help strengthen their skills and develop other interests important for their success. **Registration for our winter/spring 2024 programs is now open.
