Dear Maple Lane Families,

On behalf of the Maple Lane staff, I would like to wish you a wonderful holiday, filled with fun, relaxation and time for friends and family. I have thoroughly enjoyed getting to know the students, staff and families at Maple Lane and am truly grateful for how I have been welcomed into this community. I have landed in a wonderful place and I look forward to what the future here holds.

Sincerely,
Neal Campbell
Principal, Maple Lane School

Health and Wellness - When should my child stay home?

At this time of year, there are many illnesses circulating, including colds, flus and COVID. In order to reduce the spread of illnesses at school, we teach students to use proper respiratory etiquette and to hand wash regularly. We also ask staff and students to stay home during ***a highly contagious phase of an illness or if they are not well enough to fully engage in some or all of the daily school activities.*** This decision should be made before any medication has been taken that reduce the impact of symptoms. We know it is often difficult to determine whether your child is well enough to attend school. If you are unsure, please feel free to call the school office.

Richmond School District Continuing Education

Richmond Continuing Education offers after-school and weekend programs for children and youth aged 5-18 years old to help strengthen their skills and develop other interests important for their success. **Registration for our winter/spring 2024 programs is now open.
