Student Learning Survey 2023/2024 - www.bced.gov.bc.ca/sat_survey/access.htm

The Provincial Student Learning Survey gathers information from parents/guardians, staff, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective. The survey will be administered to grade 4 and 7 students at Maple Lane and is open for staff and parents/guardians until May 3. We encourage parents/guardians to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The survey can be completed electronically through the following link: www.bced.gov.bc.ca/sat_survey/access.htm. The survey can be accessed through the link by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section. If you have any questions, please contact the office.
