Camp Jubilee

Our grade 6/7 students had a successful outdoor education experience from Monday - Wednesday. It was wonderful to see our students unplug and engage in the natural environment. They took on many new challenges and had valuable time to hang out with their friends. We hope that their experience at Camp Jubilee has provided them with many long lasting memories. Thank you to our students who represented Maple Lane with pride. We had many compliments about how they carried themselves. Thank you to our staff who took time away from their families to support our students at camp. The trip would not have been possible without their dedication.
