SD38's S.E.E.D. Family Learning Series provides strategies for families to support preschool aged children's experiential learning.

"Planting seeds for lifelong learning!"

Session Titles:

S.E.E.D sessions focus on how play offers optimal conditions for learning in early childhood. Sessions include facilitated time for children to enjoy playing and learning with other children, while adults explore ways to support their children's learning. The S.E.E.D program aims to enhance caregivers' understanding of early learning in the Richmond School District and offers opportunities for caregivers to build social networks.
