- COVID Health and Safety Update
  - There is no specific capacity limit for school gatherings such as assemblies when it is members of the same school.
  - For social gatherings and events that bring together members of the school and the community, 50% operating capacity must be followed. For our gym that is half of 360.
  - Schools should not implement proof of vaccination requirements for school-led gatherings or events.
- Hold and Secure/Lockdown Drill happened last week. We practiced both a hold and secure (danger outside of the school) and Lockdown (danger inside the school). Constable Walker from the RCMP was in attendance and was very impressed with the school's procedures. Questions? Feedback?
- Assessment and Reporting - Options B (Report Cards) will be posted to MyEd parent portal tomorrow. No paper copies will be sent home. How to log on and change passwords were sent to Division 7 and 10 families on Friday.
- Student Learning Survey - A link was shared with families last week for The Student Learning Survey (formerly called the Student Satisfaction Survey). The survey is open until the end of April.
- New Faces Around Maple Lane - We said good-bye to Mr. James and hello to Ms. Purewel who will be our daytime custodian until the end of the year. We share her with three other Elementary schools.
- Talent Show - Talent show will be held on Friday, April 22. Auditions will be the first week back. More information will be in the Week at a Glance on Friday.
- Kilometer Club - Starts April 4th. Classes sign up to run at different times of the day to reduce crowding.

- Book Fair - Scholastic Book Fair was a huge success. We sold over \$6000 in books. All money raised goes back to the school with books and resources for staff and students.
- Camp Jubilee Update - On April 28th, grade 6 and 7 students will spend the day at Camp Jubilee. It will include three activities, a campfire and a snack. We are working on communication to families this week with more information.
