Intent to Attend Notices

Please ensure you have returned the Intent to Attend notices that were sent home last week (one per family). These forms help us plan for next year in terms of grade level configurations and staffing. The deadline is January 20th.

Kindergarten Registration

Priority 1 Kindergarten Registration will close on January 20th, 2023. Families are strongly encouraged to register during the Priority 1 registration period for the best chance at attending their catchment school for the 2023/24 school year. As per district policy, a student will normally attend the school located in the catchment area in which their parents or legal guardians reside unless there is no physical, resource or program space available.

If you, or someone you know, has a child residing in the Richmond School District, born in 2018 we encourage you/them to register their children for Kindergarten at your earliest convenience:

For Families of Grade 7s: Thinking about High School

Steveston London counsellors will be visiting our grade 7s on January 18th. The Parent information evening for Steveston London will be on January 25th at 7:00 p.m. with the Spectrum information session happening at 7:45 on the same evening. For Grade 7's hoping to attend a high school other than their catchment school, transfer Applications for 2023/24 will open on Monday, February 6, 2023.

The application forms and information will be available January 15th for parents to download from the SD38 website <https://www.sd38.bc.ca/student-registration/transfer-applications>. They must be emailed directly to school of choice between 06-FEB and 28-FEB. Students applying for out-of-catchment incentive programs must also submit a transfer request.
