Scholastic Book Fair is Coming!

A message from Mrs. Sandhu

Dear families,

The Maple Lane Library is hosting an in-person Scholastic Book Fair from February 13th - February 16th, 2023. Students will get to visit the Scholastic book fair during their library blocks and make purchases in-person at lunch and after-school.

The Scholastic Book Fair is a fantastic way to continue to give our students access to the books they want to read. We're excited that you will be able to shop together, selecting the books that inspire your readers!

All purchases benefit our school and earn Rewards that can be redeemed for books and Education Resources for our school's classrooms and library.

You can preview some of the books that will be available at the fair by visiting the link below:

Written Learning Updates

A reminder that your child's Term 1 Written Learning Update (report card) has been published through the MyEducation BC Parent Portal. If you haven't, please log into your Parent Portal Account on MyEd Parent Portal to view.

Please also download, save and print if you want a copy for your records. The last day to view Term One Report Cards will be February 24, 2023.

Libby's Kitchen

For those families ordering Libby's Kitchen, we are asking students to bring home the plastic food containers for recycling. We were finding many plastic containers in the garage instead of in our recycling containers.

Forks and Spoons

Please send forks and spoons in lunches for those students bringing lunch from home. There has been a large increase in requests for forks and spoons. We are working to reduce our impact on the environment and no longer have disposable forks and spoons to hand out. Thank you for your understanding.

Black History Month

Every February, people across Canada participate in Black History Month events and festivities that honour the legacy of Black people in Canada and their communities. The 2023 theme for Black History Month is: "Ours to tell". This theme represents both an opportunity to engage in open dialogue and a commitment to learning more about the stories Black communities in Canada have to tell about their histories, successes, sacrifices and triumphs.

"We need to cultivate listening, partnership, and solidarity to carve out a better collective future." — Desmond Cole
