Re: Maple Lane Elementary School 2023 Spring Fling

The Maple Lane Parent Advisory Committee (PAC) and the families of our school are seeking your support for the school's Silent Auction during our Spring Fling event on May 18th.

The Spring Fling has always been the largest event of the year, but in light of the Covid-19 pandemic we have not been able to host an in-person event since 2019. This year, we are happy to announce that our event will be returning, with a large range of activities including carnival games, bubble soccer, a food truck, cake walk, and of course our highly anticipated silent auction.

Last year, thanks solely to the generosity from businesses in our community, we were able to run our auction online in place of our in-person event, which raised \$4,000 – the most our auction has ever raised. So far this year, these funds were transformed into special workshops and playground upgrades, both of which have added greatly to the elementary experience of our students.

This year, we are thrilled that our event will be returning in-person, and have set a goal for our silent auction of \$5,000. All funds raised will directly benefit the students of Maple Lane by providing school and program enhancements for the upcoming school year.

We are inquiring if your company would help us reach our goal with an item to donate for our silent auction. Any donation you deem appropriate would be gratefully appreciated. All auction items and businesses will be promoted ahead of our event through our school newsletter as well as website. During our event, space to display brochures and/or business cards will be available next to all auction items.

Should you have any questions regarding the event, please contact me by phone at 604-319-2378 or by email at kprocterdesigns@gmail.com.

Thank you for your support! We look forward to hearing from you.

Sincerely,

Kate Procter
Fundraising Committee, Maple Lane Parent Advisory Committee
