Math Festival - May 1 Students: 10:30 - 2:45 Families: 3:00 - 4:30

Maple Lane has booked a Mathematics Festival for students and families. At the start of the day, student leaders will learn how to run Math stations and then classes will come to the gym to explore a wide variety of Math activities. Our goal is to have students engage with math in creative ways and expand their concept of what Math is. We also hope to engage our families in the afternoon session. All families are welcome. Thank you to the Maple Lane PAC for funding the family session.

Next PAC Meeting: Tuesday, April 9, 2024, 6:00 pm. This meeting will be in person in the library. All Maple Lane parents are members of the PAC and are welcome to attend meetings. We hope to see many parents there.
