Thank You to Our PAC and Our Student Volunteers

The Spring Fling, on Thursday, May 16, was a huge success! We would like to thank our PAC for the time and effort they put into organizing and running this event. The weather cooperated and everything ran smoothly from start to finish. The Spring Fling is the largest fundraiser of the year for the PAC. The funds generated from the event will be put towards a number of educational and extracurricular items that will greatly enhance the learning opportunities for our students. More importantly, the event brought our Maple Lane community together and provided opportunities for community members of all ages to work and play together. Creating opportunities to connect is the most important contribution a school PAC can make. Thank you to all those who volunteered to make this happen. This includes our student volunteers, who helped in a variety of areas including set up, running games, working at concessions and cleaning up our grounds. Finally, thank you to all of our staff and families who attended and contributed to the Spring Fling. It was wonderful to see such a large turnout in support of this event and our school.
