## Student and Family Affordability Fund

The provincial government is continuing to provide funding to support families who could benefit from financial assistance. We have been allocated funds to support with nutritional needs or any school related expenses (e.g. school supplies, field trip fees, backpacks, footwear etc.)

If you would like to request support for your child at school, please reach out to Neal Campbell ([ncampbell@sd38.bc.ca](mailto:ncampbell@sd38.bc.ca)). All requests will be treated with dignity and your privacy will be respected. We want to work with families to ensure that your children have everything they need in order to be successful at school.

## SchoolCashOnline and School Forms

Payment for school fees and agendas can now be made through SchoolCashOnline: <https://richmondsd38.schoolcashionline.com/>. If any families are in need of financial support, please contact Mr. Campbell. Please remember to sign and return the forms that were sent in a package earlier this week.

### Traffic in Parking Lot

Here are a few gentle reminders about our parking lot when using it for drop off or pick up:

- Please note the accessible parking spots and leave these open for those who need them.
- Please remember that the drop off loop is for immediate drop off and pick up and should not be used as a parking spot.
- Whenever possible, please try to use options other than driving to transport your children to and from school (e.g. walking, biking etc.). This will help clear up congestion and make the parking lot safer for everyone.
