## Volleyball and Cross-Country Running

Many Maple Lane students have been participating on our cross-country and volleyball teams. Our cross-country teams have been practicing twice a week and are looking forward to our fun run at Garry Point on October 22. The volleyball season has begun and Maple Lane has already played two games. They have represented our school very well through their positive attitude and fair play. Thank you to our students for your participation and to our coaches who have volunteered their time to provide these opportunities for our students. Thank you to the PAC for providing the funding for our new volleyball net!
