**Maple Lane Kindness Tree**

As part of our learning about Pink Shirt Day, students at Maple Lane have created a tree with their messages of kindness. Each day during morning announcements, students have been reading out examples from the tree. We hope that these messages of kindness will provide ongoing inspiration for students to be inclusive and respectful of others and to do kind acts at school, at home and in their community.

## International Women's Day - March 8

March 8 is **International Women's Day**. It's a global day to recognize and celebrate women's and girl's social, economic, cultural, and political achievements. It is also a time to raise awareness of the progress made towards gender equality and the work remaining to be done.

### A Successful Basketball Season

The basketball season concluded on Tuesday for the Open and Boys Teams with the SLSS Jamboree. We would like to congratulate both teams for their enthusiasm, commitment and sportsmanship. Throughout the season, both teams represented Maple Lane admirably, honed their basketball skills, and had a lot of fun. Thank you to both teams for making this season so enjoyable and thank you to Ms. Beairsto for volunteering her time to coach.

### Lights and Litter Free Lunch - March 12

Our final lights and litter free lunch is on Thursday, March 12. Our Green Team has been doing their best to educate students about using reusable containers to reduce the amount of garbage our school is creating. There has been some success; however, the amount of garbage actually went up on March 5 from the previous week. Please support our Green Team's litter free lunch campaign by sending only reusable containers on Thursday, March 12.
